House Calls

Gregory House is tired of solving obscure symptoms at a teaching hospital and has decided to diagnose clients in their homes. These patients have presented with some very odd symptoms. House knows how to line up treatments with ailments, but, unfortunately, he's dropped all of his notes.

Ailments (in alphabetical order):

PATIENT NAME
Nenni

DATE OF SERVICE
July 6th

SYMPTOMS
The patient's ▓▓▓▓ is too scared and won't let them put on a ring.
